

McShan Lumber Company

1x8 Prime & Better

(25x203mm)

Virtual Pack Inspection

A photograph showing a large stack of 1x8 lumber in a warehouse. The lumber is stacked in several rows, with the top row being the most prominent. The wood has a light tan color and a visible grain pattern. The stack is supported by a metal frame. In the background, more stacks of lumber are visible, some secured with green straps. The floor is a dark, polished concrete.
